Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: There are three XXX scenes with jizz-hungry newbs and six solo sluts. After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go.

Here are the highlights of this issue's bonus scenes.

Zoe Parker is sweet, hot and spicy.
She's a Texas princess who loves cum and filthy, hard sex. She's also an adorable, young girl with a healthy sexual appetite. Watch her take a dick in her tight holes.

Zara likes gentlemen.
She likes it when guys are gentlemen and open doors for her. She likes being taken on unusual and adventurous dates. She loves the thrill of spreading her slit in public.

Blaire is just here to piss off daddy.
A girl like Blaire should never be left unmonitored. She sneaks a guy into the house to do things that mother and father wouldn't approve of. Like sucking his cock and letting him eat her pussy in their fancy bed.

Berlyn craves compliments.
This ebony hottie shot for us a while ago. After reading subscriber comments about her hot bod, she came back to film a thank you video.

Alex Mae is fresh outta high school.
Her parents sent her to Miami because she was partying too much in Oregon. Ha! Now she's sucking and fucking on-camera for you guys.

Alisa doesn't need to talk.
She lets her hairy pussy do the talking! And it's making a lot of wet, gushing noises as she fucks herself with a dildo.

River is an adorable West Virginian.
When our talent scout contacted her, she hadn't even let her boyfriends shoot naked photos of her. Now here she is spreading her barely-legal pussy just for you.

Danni is camera shy and sassy.
She's a studious youngster who also likes going to raves. Her boyfriend shot this graphic vid for you guys.

You're gonna love Alexa's bush.
Skinny, little blondes are always fun. Especially ones with a thick, beautiful and fragrant bush. She told us that she masturbates while reading the comments left on her explicit videos.

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring: Ginger

We asked Ginger if getting fucked on-camera is the wildest thing she's ever done. "Probably not," she laughed. "I have a foot fetish, piss kink, spit fetish, and I'm into bondage, roleplay and light BDSM. I know that I look innocent, but I'm probably the kinkiest girl I know. My friends blush when I tell them about the shit that I get into. They think I'm out of control."

Ginger got a big creampie in NN2803, available for purchase on page 13.

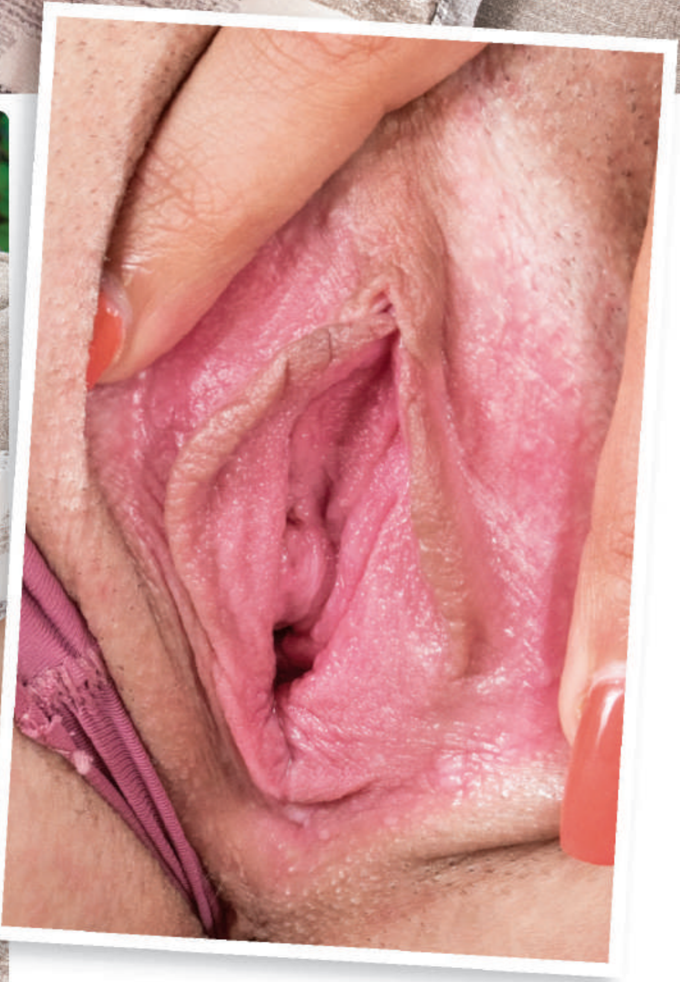
Lacy

Miami, Florida

Lacy, a Texas native who moved to sunny Florida to have fun, is a 20-year-old beauty who works at Hooters. Her customers don't get to see what's underneath those orange shorts, but you do. Oh, and you're practically guaranteed easy access when those shorts come off. "If I wear panties, it's usually a thong. But I don't really like wearing underwear," Lacy told us.



Warrior

Warrior

1982

"I've always been active, so I've never had to worry about keeping myself in shape," Lacy told us. "In high school, I ran track, which I loved. Before high school, I danced and played volleyball. I love the endorphin rush you get from pushing your body hard. The best workout is obviously sex. When I have a boyfriend, I try to fuck at least once a day."

We consider it kinky.

"I don't know if this is considered kinky or crazy, but one time I slept with four friends in one night. And it wasn't all at one time! It was in four different places. I didn't tell them what I did until afterward. It was really exciting."

For some of these knockouts, their fingers just aren't going to cut it. They'd rather have a big cock to play with, but their vibrators and dildos will have to do. Addee uses her vibe to get her clit tingly. You can see her fuck hole start to get wet and drip. Then she grips it by the base and jams it up her cunt. Rika Fane uses a clear dildo to pound her pussy, and the camera gets explicit close-ups inside her vag.

"It is very important for me always to be experiencing or learning something new," Vivianne informed us when she sat down for an interview. "I crave anything that stimulates my mind creatively and allows me to gain new perspectives. That includes trying porn. This is such an exciting adventure for me."

Vivianne is talented. "I can play the bass and the ukulele. I also call myself the deepthroat queen because I can slide pretty much any cock into the back of my throat." Vivianne also informed us that if you see her out and about, there's a good chance she won't be wearing any panties. "I have a thing for not wearing panties when I'm wearing short dresses and skirts."

Snap away, gents!

"I know that a lot of girls would disagree with this, but I love receiving dick pics. I love when guys feel so confident in their cocks, they just have to send me a picture. It turns me on like crazy. I always send back a nude."

OUR MONTHLY SHINDIG OFFERING SEX TIPS, TRICKS AND A HOST OF SEXY CHICKS

Swinger FESTIVAL DISRUPTS TINY VILLAGE

In a field near Oasby, Lincolnshire, England, a four-day occasion celebrating sexual swinging and public sex caused quite an uproar. Residents of Oasby describe the sleepy hamlet as quiet, so quiet one can usually hear birds flapping overhead and the trees swaying in the wind. But, while Swingathon raged, citizens could only hear moaning, screaming and outrageously loud sex. Inside the festival grounds, wet T-shirt competitions, dungeon exhibitions and nude bouncy castles caused visitors to cry out enthusiastically. Unfortunately for Oasby residents, their city council had their hands tied (metaphorically). Swingathon was a licensed event and was entirely lawful. Instead of complaining when the festival occurs next year, perhaps the perturbed residents should join in the fun.

BLOWJOB ROULETTE

In the 18th century, royalty in Spain and France invented a game that they called Impávido (The Imperturbable). Men, nude from the waist down, would sit around a large round card table that was covered in cloth. Then, a lingerie-clad woman, usually a fellow aristocrat, would crawl under the table and begin blowing the men one by one. If the man made a face or sound to indicate that he was receiving fellatio, he would lose and have to excuse himself.

Invite your buddies and tell them you have the party favors.

The winner was the first player to blow his load without the other players noticing. Sometimes, they'd play a game of cards while the action happened under the table. What an exciting game night!

Emma

Gainesville, Florida

Emma just turned 18, and she's celebrating by exploring her sexuality. "I was gonna go to college," she told us. "But I decided to take a little time and have fun. So I found a part-time job that allows me to go on a lot of dates, have fun with friends and just chill. So far, it's been awesome! I've been meeting a lot of cute guys."

"I normally keep a small, well-maintained bush, but I knew I would be shooting these pictures for you, so I decided to go bare. I like it. It makes me look like a porn star! I hooked up with a guy yesterday, so he got to take my kitty for a test run. He gave it his seal of approval!"

Emma has big dreams. "Eventually, I want to get my pilot's license. I love traveling. Even though I haven't done much of it, the idea of getting on a plane and landing somewhere completely foreign intrigues me. If I were a pilot, I could get paid to travel and have fuck buddies in every port. I'd love to have boyfriends in Paris and Rome so I could visit them whenever I wanted to sightsee and fuck."

“They say the first humans to set foot on Mars are already born. I’d love to be the first chick to fuck on another planet.”

Two thumbs way up!

"The first time I had sex in public was in a movie theater. It was scary and thrilling. The guy put my hand on his cock and I could feel that he was hard. I sucked him off for a bit, and then I climbed on top and made him creampie me."

Gracie

Pikesville, Maryland

Gracie is a sexy young thing with a nice rack and a plump ass. She's probably a girly-girl, right? "Not really," she told us. "Deep down, I'm just a nerd. I don't dress glamorous or anything when I'm in public. I'm your run-of-the-mill girl who happens to like watching Marvel movies almost as much as I like fucking."

We asked Gracie who her favorite superhero is. "I'm a big Spiderman fan. Tom Holland, the guy who plays him, is a cutie pie. It's funny, though. I normally like big, tall, muscular guys who exude confidence, and this iteration of Spiderman is shy. I guess I'm just a sucker for a guy who can shoot webs that well." We don't have a guy to shoot his... ahem... web all over Gracie, but we do have her spreading her pussy.

It's a tight fit!

"I'm still not 100% comfortable doing anal. I like it a lot, but it's hard getting my mind to accept that a big cock will fit in my tiny asshole. I've done it a few times, but I've never lasted long enough to let the guy cum in my ass."

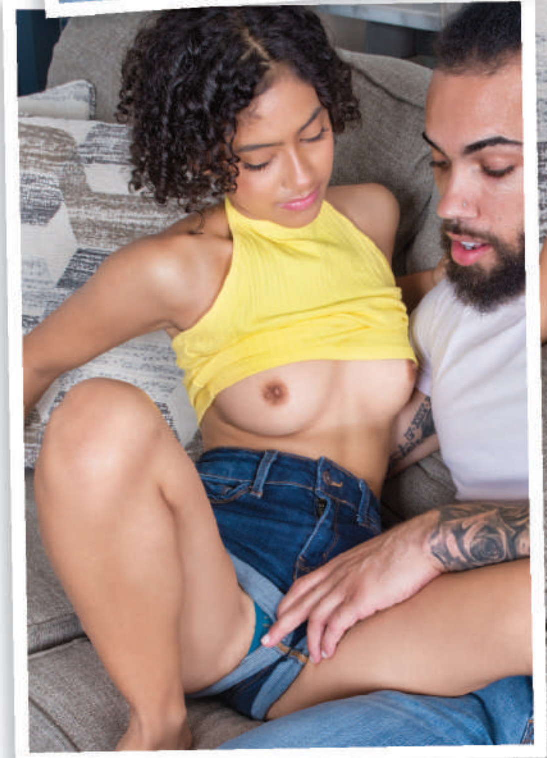
Dani

Bridgeport, Connecticut



Well, would you look at that? We've got another pint-sized cutie getting her tiny slit pounded by a powerful cock. You've gotta love it! Speaking of pounds and pounding, take a look at how Dani, a girl who weighs less than a bag of cement, takes that thick cock. She takes it so easily, you probably think she's super experienced, right? Wrong!

"I'm pretty good at sex if you ask me," diminutive darling Dani told us. "But it's not like I've been with a ton of guys. I actually don't date that much. And when I'm with guys, I'm pretty submissive, but I love to please. I like making guys feel like kings when they're with me. I'd like to be more adventurous. Someday, I would really like to do double penetration. But I'm not ready for that."

"I'm all about pushing my boundaries, but I want to do it slowly. That's how I know I'm not ready to do double penetration right now. Getting fucked on-camera is a big step for me. I don't know what I'm going to do next, but I'll probably ramp it up a little. I'd like to eat out another girl while getting fucked."

Mella

Lincoln, Nebraska

Mella is a big fan of WWE wrestling. "There's something about big, sweaty guys throwing each other around like ragdolls that turns me on," she told us. When we asked if she likes getting thrown around by big guys, she responded enthusiastically. "Yes! It's my favorite thing in the world. Don't get me wrong, I like having slow, romantic sex. But getting my pussy fucked aggressively while the guy is holding me down is the best."

Mella might look like fucking comes naturally to her, but she had to teach herself everything she knows. "It definitely didn't come naturally to me," she explained. "I lost my virginity on a Tinder date. It was with a college guy. He went super slow and gentle, and I was clueless about what to do, so it wasn't great. I used a lot of teeth giving him head. And I wasn't sure what to do while he nailed me so I just lay there."

"After that first time, I got a lot better. I just needed to learn the ropes before I started getting more confident. Now, I have a few tricks up my sleeve. Like, I like swallowing a guy's nut after he just fucked me. I also suck dick like a pro now. One of my favorite things is to lie on my side while sucking cock so the guy can finger my pussy. I'll play with the guy's ass if he asks me to."

Coat that pretty face!

"If a guy fucks me really well and makes me cum, I'll let him cum anywhere he wants. Sometimes, guys will ask to cum on my tits, which is fun, but I don't have a lot of boobs to work with. I like it a lot when they bust on my face."

of the area by over 800 years. Flourishing near present-day Moche, Trujillo, Peru, with a population growing rapidly from 100 AD to 700 AD, the Moche were knowledgeable and competent. They practiced metallurgy, ceramics, weaving, and dabbled in human sacrifice. Many experts contend that they were a smattering of communities sharing a common culture. And one of the biggest uniters among its people was an obsession with ass-play and hardcore ass-fucking.

Skip the pussy. Head straight for the asshole.

The Moche people loved their pottery. They left behind loads of vases, plates, bowls and pots that they artfully decorated with scenes depicting daily life. There are images of mothers breastfeeding their children and men working in fields. There are carvings portraying hunting practices and meal preparation. In fact, looking at their artifacts, almost every element of Moche culture seems to be well represented. Except, that is, for vaginal sex. Oh, there are sex pots, vessels that show erect penises penetrating willing holes, but so few of them show wet pussies get-

ting fucked, some academics have wrongfully asserted that the Moche didn't practice penis-in-vagina sex at all. Later, they found a few depictions of the act. But it's exceptionally rare.

One thing is for certain. The Moche loved fucking. They were uninhibited and loved to decorate their vessels to portray blowjobs and masturbation. On quite a few, women are shown sucking massive cocks and swallowing cum. On others, pots show skeleton men getting jacked off by beautiful girls. And then there is the anal. Nearly every sexually-decorated Moche pot shows a guy sticking his rod up a woman's asshole. There's butthole fingering, too. They portray pussies, but they're always unfilled.

"You're not going to paint this, right?"

A small selection of experts posit that the Moche people engaged in anal as a form of birth control, but most historians have shot that idea down. Comparing other societies that existed at the same time and in similar locations, it's believed that people used to think that childbirth happened from any sexual act, even oral. So anal would be just as responsible for pregnancy as vaginal sex in Moche minds.

Another theory for why so many anal-focused pots still exist is that decay destroyed the rest throughout time. Historians specializing in the area and era also disregard this concept. You see, when Spanish colonizers arrived in Peru in the 1500s and uncovered a large amount of Moche pottery, they were disgusted. Already a very religious and conservative society, the Spanish of the time saw non-reproductive sexual acts as immoral. Destroying carnal Moche pots would help the Roman Catholic Church expand its territories. By

Mina

Fort Lauderdale, Florida

This Asian beauty, originally from Virginia, is a cutie with a pussy that gets wet if she thinks about cocks. What could be better than that? Mina even likes watching sports. "I don't have any favorite teams," she explained. "But I'll watch any game as long as it's in a fun setting with good people. Honestly, I usually root for the team with the cutest guys."

To help pay for college, Mina makes some extra cash by working at an amusement park. "The best gig I ever had was dressing up as a zombie and scaring drunk people on Halloween," she told us. "It was fun because it was something I would love to attend on a date. A couple of drinks, some good company and a walk through a spooky graveyard? Sign me up! I like it when guys think outside the box for date ideas."

Grab the thesaurus!

"If a guy whispers dirty shit in my ear while choking me at the same time, I'll orgasm instantly. I don't really feel like it's a proper orgasm if you can count how many times you've cum while you're doing the deed. My record is, like, 10."

Juliette

Louisville, Kentucky

Meet Juliette, a newcomer who is a bit of a conundrum. On the one hand, she's a shy and proper girl who played volleyball and ran cross country in high school. On the other hand, here she is spreading her cunt for you poon hounds. We asked Juliette to describe herself to us. "I'm your typical teenager," she said. "I like hanging with friends, taking afternoon naps and going on dates. I think I can talk too much when I get nervous."

"I like going on dinner dates. I like food and watching cooking competitions on TV. But I don't like going to guys' houses on first dates. I think it's not proper. I don't have sex right away, so what's the point in going over? Once I get to know a guy, it'll be game on, though. I need sex once or even twice a day when I'm in a relationship. I need to feel comfortable in order for my horniness to show itself."

Remember when we said Juliette is a conundrum? She seems like a well-behaved girl next door, but check this out. She's into some kinky shit. "I watch porn sometimes, and I really like watching gangbang stuff. One day, I'd like to try taking on five or six guys all at once. I'd also like to try getting pissed on and peeing on guys, too. It's so raunchy and hardcore. Pee play pushes my buttons like nothing else."

Don't tell the missus!

"I like older guys, but not if they're, like, grandpa age. The sweet spot seems to be guys in their late 30s or early 40s. That's my type. It's tough for me because I'm attracted to almost all of the dads that I babysit for!"

Cami

Des Moines, Iowa

"Now that I'm divorced, I keep myself busy," said Cami. "I work five nights a week and have college classes four days: I'm taking business management. When I do have time for sex, I have a FWB who I can call up. We go out for a meal or a few drinks, then head back to my place and screw till we're exhausted. Then he goes home. It's perfect."

"I like watching hockey and baseball," Cami told us. "I enjoy kayaking, kickboxing, camping, swimming and boating. Sex is one of my interests but it's not the only one. But I'm not constantly going out. I'm a homebody, and my family is extremely important to me. My perfect day would be spent with my three kids kayaking or just hanging out on the beach, playing and having fun. Afterward, I'll need some dick to put me to sleep!"

Sharing is caring.

"I used to let my husband take naked pictures of me. We used to post them online to a forum for guys to share naked pictures of their wives. We got off on seeing the other couples and getting to know them. It was a real treat!"

BLOCK PARTY

continued from page 64

depicting people on the other side of the world as pagans or sexual deviants, the Spanish could convince their people that they should spread their message of salvation. This is ironic because people of all societies have practiced sexual deviancy (including anal sex) since the beginning of time. Regardless, the colonizers destroyed Moche items depicting sex. The potteries that remain intact today were found in temples and tombs undiscovered by the Spaniards. Therefore, researchers assume that they are an accurate depiction of Moche beliefs and practices.

For a society that seems to have engaged in so much anal sex, one might expect its undoing to have occurred because of depopulation. This doesn't seem to be the case, however. Although there are many reasons for a society's collapse, the leading cause of the Moche's downfall appears to be related to weather. Ice cores drilled from the Andes Mountains show scientists that the area inhabited by the Moche experienced a massive climate shift from 563 to 594 AD. That may have resulted in something called a "Super El Niño" event, which may have resulted in 30 years of flooding followed by 30 years of drought. It would have been devastating to an agricultural society that depended on irrigation canals.

Although there are theories about why the Moche loved painting cups, pots and plates with pictures of buttholes, gapers, rim jobs and all sorts of other ass-play, we can't know for certain why they were so obsessed. Some say that it has to do with power dynamics between men and women. Others insit that it has to do with some sort of religious practice that has long since faded out, leaving us guessing about why they praised their gods with thrusting. Our favorite theory is also the most simple. Since the beginning of time, sticking your dick up a chick's ass has been fun. The Moche sure seem to have had a lot of fun doing it.

Keely

Santa Barbara, California

Keely enjoys spending time in the great outdoors. "I love hiking and swimming in the ocean," she told us. "I can't stand staring at my phone. I would rather be outside, breathing fresh air. Basically, I want to live my best life." Here, Keely is living her best life by taking a big porno cock on-camera just for you.

"Your stud had a nice thick one for me," Keely told us after we snapped these pictures for you. "I like them really big. I'm a total size queen. Once, my ex-boyfriend made me a dildo that was a silicone mold of his cock. It was adorable, but I didn't have the heart to tell him that it was my smallest toy. He wasn't even that tiny! I just like my dildos to have some girth and weight to them."

We asked Keely if she enjoys taking big cocks up her ass. "Absolutely," she replied. "But I stick to just having dicks and toys up there. I don't like the feeling of fingers in my butt. And licking? Forget about it! The idea turns me off. Instead, I apply the lube to my hand, slather up the guy's dick until it's dripping wet, give my backside a good lube massage, and then we can slowly work that cock up my hole."

Do the courtesy tap.

"The first time I gave a blowjob, the guy came in my mouth when I wasn't expecting it. Since then, I've told every guy I sucked off that they need to tap my head or something. Then, if I don't feel like swallowing, I'll jerk them onto my tits."
